Santa Claus Face

contributed by Sharron Ronquillo, California featured as a local Michael's Kid Club Project

Level: Beginner

Materials:

- 48 inches white 1/8" ribbon
- 16 red 6x9mm pony beads
- 37 white 6x9mm pony beads
- 2 black 6x9mm pony beads
- 1 gold (or silver) jingle bell

Suggestion:

Instead of starting on a lanyard hook, fold ribbon in half, and tie a knot to leave a three-inch "hanger."

Then bead as usual. After completing pattern, tie a knot in the ribbon and then tie a jingle bell on. Makes a great ornament.
