Holly Leaves

designed by Margo Mead

Level: Advanced

For help with the two side leaves, see the Illustrated Penguin Directions

Materials:

- 2 1/2 yards stiff cord or lacing (or wire)
- 72 green pony beads
- 3 red pony beads

Special Instructions:

You start at the bottom of the first leaf, then the two side leaves are each done with one of the strings. Tie the cord to the keyring at the end.

Stiffer cord or wire is better for this project, to help it hold its shape, but is not as important for this project as for the Poinsettia.
