

## Snoopy, from "Peanuts"

designed by Margo Mead

Level: Advanced

### Materials:

- 2 1/2 yards cord, ribbon or plastic lacing
- 1 lanyard hook
- 63 white pony beads
- 8 black pony beads

Special Instructions:  
This pattern will need reinforcing in the feet and in the nose area.

To do this, take a separate piece of string and weave it in the regular manner through just 2 or 3 beads of each row that is sagging. Tie in a square knot on the back.

If you want, you can make this two-sided by adding another ear and arm and having them go in the back when you tightened the rows.
