White Power Ranger

designed by rocket007

Level: Beginner

Materials:

1 yard wire
51 white seed beads
35 gold seed beads
24 black seed beads
5 silver seed beads

Special Instructions:

Do first two rows of shoulders, then bring the wire back through the first row. Make the arms, then go through the second row again.

For the sword, the white beads should go to the front, and the silver beads to the back.

Note: The designer made these out of seed beads, but you could also make them out of mini or regular pony beads, with your string of choice.
