2 1/2 yards cord or lacing  
104 red pony beads  
3 clear pony beads  
7 black pony beads  
15 gray pony beads  
21 ivory pony beads

### Purple Teletubby

#### Materials:

2 1/2 yards cord or lacing  
113 purple pony beads  
3 clear pony beads  
7 black pony beads  
15 gray pony beads  
21 ivory pony beads

Special Instructions: For Ears--lace row 7, add 1 bead, then lace back through row 7 again. Repeat for row 8.

For Arms: Lace row 14 then: lace beads 1-7 on one lace. Do not pull tight. Loop lace around and go through beads 3&4, then through beads 1&2. Now lace row 15. You will end up with a space between the rows. To eliminate the space: after stringing row 15, go back through row 14 & then through row 15 again. Pull tight.

For Yellow Babie's Antenna: Lace 8 rows of 1 bead each. After finishing, form a loop with the antenna and tie in place with extra lace.

Variations: Make them without ears (kids seem to like this)

Vary the sizes of the babies.
