

# Margo's Beadie Critter Collection

[www.beadiecritters.com](http://www.beadiecritters.com)

## Tie Dye Bear

Level: Advanced

For help with the ears, arms and legs, see the [Illustrated Penguin Directions](#)

### Materials:

- 2 yards variegated rattail cord
- 67 clear pony beads
- 3 pony beads, any color (for eyes and nose)

Note: This is a tie-dye bear because the variegated cord shows through the clear beads. I don't have the variegated cord, so no picture is available.
