Materials:

- 2 1/2 yds of lace (clear works well)

- 9 green pony beads
- 3 white pony beads
- 11 yellow pony beads

Special

Instructions/Techniques:

The creator of this pattern likes to start out with a knotted loop at the top. When you get to the bottom, whatever leftover lace you have, just re-lace back through till it's used up (or cut off). Doubling back makes for a nice flat, sturdy piece.

Use a black permanent marker to color in the eyes.
