

## Wile E. Coyote

designed by Margo Mead

Level: Advanced

For help with the ears, see the [Illustrated Penguin Directions](#)

### Materials:

- 2 yards cord or plastic lacing
- 24 brown pony beads
- 48 tan or ivory pony beads
- 4 yellow pony beads
- 4 black pony beads
- small amount of pipe cleaner

Special Instructions: After critter is finished, run pipe cleaner through ears in a zig zag manner to make ears stand up instead of flopping down. Draw eyes on yellow beads with a permanent marker.

If you wanted to, you could add a body by continuing in same colors (light brown and dark brown) using the body pattern from the Sylvester pattern.
