

Margo's Beadie Critter Collection

www.beadiecritters.com

Itty Beadie Ladybug

designed by Margo Mead

Level: Beginner

Materials:

- 12 inches ribbon or cord
- 5 black pony beads
- 9 red pony beads

I created this for my son's Bug-themed Birthday Party. I also used the "Itty Beadie Insects" from the www.makingfriends.com site. Unfortunately these are no longer available, but there are several other "itty beadie" insects on my website.
